

SARAJ-UM-MUNIRA TRADING CORP

Company Brochure

An Overview Of Saraj-Um-Munira Trading Corp

Saraj-Um-Munira Trading Corp is a family-owned manufacturer and exporter of surgical and orthopedic instruments, based in Sialkot, Pakistan, with over 30 years of experience.

We apply the same quality control standard to every order, from a 50-unit trial batch to a large recurring shipment, with capacity that scales to meet demand.

Our facility is certified to ISO 13485, ISO 9001, and CE marking standards, and we work directly with distributors and hospitals across Europe, the UK, and Southeast Asia.

For product categories, certifications, and custom order details, please get in touch directly.
